INTERNAL DELIBRATIVE

Janet

You may have already received this 12/6 letter and resolution from the Ute Tribe's attorney, Jeremy Patterson, but I thought I would send it in case you haven't seen it yet. Jeremy notes that he is planning to send it to OMB as well.

The letter/resolution states that the Tribe will consent to the FIP process moving forward subject to EPA addressing the Tribe's concerns through the comment period and that the Tribe will support the issuance of the FIP "so long as the EPA follows through with the results from the working group" the Tribe would convene.

Thank you Carl, attached please find a Business Committee resolution and letter addressing this matter.

A copy of the resolution and letter are being sent to Ms. McCabe and OMB today.

We appreciate EPA Region 8's willingness to consider the Tribe's interests and concerns with respect to this matter.

I will be in touch in coming weeks to follow up on next steps for the Tribally sponsored working group.
